SAVING THE HAZEL DORMOUSE

They're so pretty, aren't they! If you have seen a hazel dormouse, found a dormouse nest or a dormouse chewed nut, this can be recorded on the National Dormouse Database.

Ian White from PEOPLE'S TRUST FOR ENDANGERED SPECIES will tell us all about the re-introductions, monitoring and habitat work being done to help the declining dormouse.

Monday 18th March, 7.30pm – 9.30pm

In the Recital Room at South Hill Park

Visitors welcome £3 BFNHS Members £1

Venue: Recital Room, South Hill Park
