

# Bracknell Forest Natural History Society

A society for everyone interested in nature and its conservation

## THE WATERWAYS OF BRACKNELL

Monday 11<sup>th</sup> December  
2023 – 7.30pm

In the Recital Room at  
South Hill Park

The waterways of Bracknell drain mostly to the North, to the Thames at Bray. However, our local river, *The Cut*, and its tributaries (*The Bullbrook*, *The Gormoor* and *Blackmoor Stream*) are often passed unnoticed.

BFNHS Member Colin Bird will explore the routes of these streams and rivers within the landscape.

Given the Society's increasing interest in the health of our waterways, whilst not specifically focused on natural history, this illustrated talk will give context to both the geography and history of our waterways.

**BFNHS Members: £1**    **VISITORS WELCOME: £3**  
*Cash at the door - no need to book in advance*

South Hill Park is on Ringmead, Bracknell RG12 7PA
